

Guide rail adapter FS-PS/PSB 300

for PS 200, PS 300, PSB 300, PS 2

Item number 490031

Functions

- allows use of jigsaws with FS and FS/2 guide systems

Usage

Main applications

- Note: For straight cuts with pendulum jigsaws and guide rails, we suggest using our special “TRION” jigsaw blades S 75/4 FSG (gold coloured blades, available in three lengths). These blades are extremely stable and therefore allow accurate angle cuts
